

Directions from A34 Manchester

Follow the A34 bypass from Manchester in the direction of Congleton until you reach the roundabout at the end of the bypass. Take the first exit signposted Nether Alderley.

The entrance to our site is then your first right, at the traffic lights (500 yards - Alderley Park North Entrance).

Proceed on the entrance driveway to the roundabout, take the first exit to **Mereside A carpark**, take a ticket (you may have to pay if parked longer than 2 hours), and park in a visitor space. If all the visitor spaces are full, you can park elsewhere in the car park. Exit the car park on foot, and report to the Mereside main entrance reception.

Alternative parking is also available at **Mereside B** and **Radnor Woods Car Park (outdoor)**, with routes to the Mereside main entrance reception marked on the map.

Please call our office on 0161 515 2152 when you arrive, and a member of our team will meet you in the reception area.
